DECLARATION OF RESTRICTIONS

**STONECREEK 17TH PLAT
LOTS 302-325**

300 25 P 149.0
13261P1289

U. Ann

DAMAR, INC. a Missouri Corporation (herein "Declarant"), the owner of the following described property, to wit:

StoneCreek 17th Plat Lots 302-325, a subdivision in Blue Springs, Jackson County, Missouri.

For the purpose of securing the orderly, uniform and controlled improvement, development and maintenance of said property, and to further and fulfill the objective that Declarant, its successors, assigns and future grantees may be protected and assured that the above-described lands shall be improved, developed, used and maintained as a high class residential subdivision, hereby declares that the above-described lands are held and shall be conveyed subject to the reservations, restrictions hereinafter set forth:

ARTICLE I
Use Restrictions

Section 1. Use of Land. Lots 302 thru 325 may not be improved, used or occupied for other than private single family residential purposes (except for model homes approved by the Declarant) and no flat or apartment house, although intended for residential purposes, may be erected thereon. No structure of temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any portion of any Lot at any time as a residence, either temporarily or permanently. No Lot may be improved, used or occupied for purposes other than as provided by applicable zoning laws and restrictions filed of record in relation thereof.

Notwithstanding any other provision of this Article, it shall be expressly permissible for the Declarant and its contractors and subcontractors to maintain, during the period of construction of any improvements upon any Lot, such facilities as in sole opinion of the Declarant may be reasonably required, convenient or incidental to the construction of such improvements.

Section 2. Height Limitation. No residence erected on any of said Lots shall be more than two (2) levels in height, above ground, provided that a residence more than two (2) stories in height may be erected on any of said Lots with the written consent of the Declarant or the Architectural Review Board, after its appointment.

Section 3. Minimum Size Requirements.

- (a) Any residence constructed on Lots 302 thru 325 shall contain a minimum of 1,500 square feet of total enclosed floor area above ground level.
- (b) The words "enclosed floor area" as used herein shall mean and include areas of the residence enclosed and finished for all year occupancy, computed on outside measurements of the residence, and shall not mean or include any patio area, basements, garages, carports, porches, breezeways or attics. The words "ground level" as used herein shall mean the ground elevation of a Lot when finish graded at the front of any residence as constructed on such Lot, extended on a plane from front to back of the residence. Deviations from the foregoing minimum square footage may only be granted by the Declarant in its discretion, if Declarant determines such variations shall be not detrimental to the subdivision when viewed as a whole unit.

Section 4. Aboveground Pools Prohibited. No above ground swimming pools shall be erected, installed, constructed and/or maintained by an Owner on any Lot, other than an entirely portable and movable wading pool.

Section 5. Building Lines. No dwelling or residence shall be located nearer to the front Lot lines or side Lot lines than as indicated on the recorded plat map. Declarant reserves the right to permit the construction of a dwelling on said property on any Lot three (3) feet nearer to a street line which abuts such Lot by executing and recording a proper instrument in writing changing the building setback line.

Section 6. Garages. Each residence shall have an attached or basement private garage for not less than two (2) cars. The driveway on each Lot shall contain sufficient paved area for the off street parking of at least two (2) cars. All garages facing any street must be equipped with doors which shall be kept closed as much as practicable to preserve the appearance of the elevation of the house fronting on the street.

Section 7. Exterior Finish. All residences shall be required to have a front exterior finished composed predominantly of brick, wood siding, wood shingles, masonite, stucco, brick veneer, brick or stone or a combination thereof which shall be specified in the plans and specifications submitted for approval under the requirement of ARTICLE II on Architectural Control. (Any deviation from the foregoing requirements shall be based upon a specific request to the Declarant for relief from the foregoing requirement at the time of the submission of plans per ARTICLE II. The Declarant reserves to itself under the provisions of ARTICLE II the authority to waive the foregoing requirements in its discretion exercised on a case by case basis. The decision of the Declarant shall, in any event, be final.)

Section 8. Outbuildings Regulated. Declarant reserves the right to regulate and control the erection, construction or placement of any outbuilding on any of the Lots. The construction of any barns or storage sheds is discouraged, provided, however, that Declarant may, in its discretion grant approval pursuant to ARTICLE II for the erection of one such outbuilding on a Lot provided that such outbuilding is erected from materials and is an architectural style which is consistent with the resident already erected on such Lot. The construction of appropriate pool house or gazebos or ornamental structures is not discouraged, by Declarant, provided, however that any construction, erection, or placement of same is subject to the advance Architectural Control Requirements of ARTICLE II

Section 9. Roofing Material. All residences or other approved buildings constructed on Lots 322-325 shall be roofed with roofing material consisting of asphalt, fiberglass or composition shingle roofing having the appearance of "weathered gray", the exact color and texture of which shall be subject to the materials due to the pitch or slope of a roof must be first submitted to Declarant for approval and approved pursuant to ARTICLE II.

Section 10. Hard Surfaced Driveways Required. Every residence shall be serviced by a hard surfaced dust free driveway which shall provide access across the residence owner's property from a dedicated road to the residence's garage. Such driveway shall be paved with a concrete or asphalt or similar surface. No gravel, chat, fly ash, dirt or similar driveway surface shall be allowed.

Section 11. Resubdivision of Lots Restricted. None of the Lots hereby restricted shall be replatted or resubdivided by the Owner or Owner thereof.

Section 12. Trees and Landscaping Required. Trees and other plants must meet the city requirements. Within thirty (30) days following the completion of a residence on any Lot hereby restricted, the front yard and side yards shall be sodded, plugged or sprigged so as to promptly provide a uniform lawn of grass, or other ground cover material. Within the same period as aforesaid, the rear yard shall be sodded, plugged, sprigged or seeded as to promptly provide a uniform cover of shall, or other cover commonly used as lawn ground cover material.

Section 13. Commercial Activity Prohibited. No commercial activity of any kind shall be conducted on any Lot, but nothing herein shall prohibit the carrying on of promotional activities by the Declarant for the sale of new construction by the Declarant or other builders, home offices which are not open for retail, or providing child care for six (6) or fewer children other than the Owner's children. If child care is provided, a privacy fence, which has been approved pursuant to ARTICLE II, must be installed.

Section 14. Uncompleted Structures. No building shall be permitted to stand with its exterior in an unfinished condition for longer than nine (9) months after commencement of construction. In the event of fire, wind storm or other damage, no building shall be

permitted to remain in a damaged condition longer than three (3) months. No building shall be occupied until the exterior shall have been completed and a certificate of occupancy issued.

Section 15. Easements.

(a) Utility/Drainage Easements. Easements for installation and maintenance of utilities and drainage facilities are dedicated to public authorities and/or utility companies and reserved by Declarant as shown on the recorded plat of STONECREEK, 17TH Plat, (therein and herein referred to "Utility Easement" or "U.E" and "Drainage Easement" or "D.E."). Such Utility and Drainage Easements shall be deemed to grant and include the right of ingress and egress for construction and maintenance purposes. Within these Utility and Drainage Easements, no structure, planting or other material shall be placed or permitted to remain which damage or interfere with the installation and maintenance of utilities, or which may change the direction or flow of drainage channels in said easements, or which may obstruct or restrain the flow of water through drainage channels in the Utility or Drainage Easements. The Utility and /or Drainage Easement areas of each Lot and all improvement in it shall be maintained continuously by the owner of the Lot, except for those improvement for which a public authority or utility company is responsible, and except for landscape plantings as set forth in the next succeeding subparagraph.

Section 16. Nuisances. No noxious or offensive trade or activity shall be carried on upon any portion of the Property, nor shall anything be done thereon that may be or become a nuisance or annoyance to the neighborhood.

Section 17. Utilities. Water, gas, lights, telephone and other utilities shall be located on each residential Lot, except perimeter Lots and other tracts of land.

Section 18. New Construction. All residences and other buildings permitted hereby on residential Lots shall be initially new construction. No building shall be moved onto any of such Lots.

Section 19. Animals prohibited; Pet Enclosures Regulated. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lots except that dogs, cats or other household pets not to exceed two (2) in number may be kept, provided they are not kept on any Lot or maintained for any commercial purpose. In no event shall such animals be kept on any Lot if they unreasonably disturb the Owner or residents of any other Lot. All animals shall be confined on the Owner's Lot and for the mutual benefit of all the Owners, no animal shall be allowed off of the Owner's Lot, except when on a leash or when in direct and constant control of the Owner thereof or a member of his family. The construction, placement or erection of any structure, enclosure, cage, dog pen, dog run, or other device used to confine or house dogs, cats or other household pets on any Lot, outside of the interior portion of the residence, is hereby made expressly subject to the

terms and conditions of ARTICLE II. Declarant reserves the right to require appropriate and adequate screening as a condition to the approval of any plans for an exterior pet enclosure.

Section 20. Advertising Prohibited. No advertising signs (except one of not more than five (5) square feet "For Rent" or "For Sale" sign per Lot), billboards, unsightly objects, or nuisances shall be erected, placed or permitted to remain on any Lot, nor shall any Lot be used in any way for any purpose which may endanger the health or unreasonably disturb the Owner of any Lot or any resident thereof. No business activities of any kind whatsoever shall be conducted on any Lot or on any portion of any Lot, provided, further however, that the foregoing covenants shall not apply to the business activities, signs and billboards or the construction and maintenance of structures by the Declarant or other builders of residential structures during the construction and sale period.

Section 21. Screening Required. All equipment, wood piles and storage piles shall be screened by adequate planting or fencing so as to conceal them from view of neighboring Owners of Lots. All rubbish, trash or garbage shall be regularly removed from each Lot, and shall be kept in sanitary containers inside of the residence except on day of trash pick up. No clothes lines shall be permitted and no trash burning shall be permitted on any Lot.

Section 22. Antennas Prohibited. No exterior television or radio antennas of any sort shall be placed, allowed or maintained on any portion of any Lot. The foregoing prohibition shall expressly extend to satellite dishes or other devices designed to receive, transmit or pick up radio or television transmission signals from the air in excess of two (2) feet in diameter. The Architectural Review Board shall approve the location of all satellite dishes.

Section 23. Storage Tanks. No tank for the storage of fuel may be maintained on any Lot above the surface of the ground, except by Declarant or builders during construction.

Section 24. Automotive Repair Prohibited. No automotive repair or rebuilding or any form of automotive manufacture, whether for hire or otherwise, shall occur on any Lot or Common Area hereby restricted.

Section 25. Parking and Storing of Vehicles Prohibited. No school buses, tractors, trucks over 3/4 ton, recreational vehicles, motor homes of any class or type, boats unmounted campers, trailers, unlicensed or inoperable or partially disassembled automobiles, or other motor vehicles or trailers shall be regularly parked in the open on any Lot or at the curb and in any event not more than 12 hours at one time. In addition to the foregoing, no automobiles or motor vehicle owned, leased or utilized by the owners or occupants of any Lot hereby restricted shall be parked on the street or at the curb adjoining any such Lot for periods in excess of three (3) hours at any one time.

Section 26. Trash. No trash, refuse, grass clippings or ashes shall be thrown, dumped or placed upon any undeveloped portions of the property.

Section 27. Declarant's Business Activities. Declarant or the transferees of Declarant shall undertake the work of developing all Lots included within the subdivision. The completion of that work, and the sale, rental, or other disposal of residential units is essential to the establishment and welfare of the subdivision as an ongoing residential community. In order that such work may be completed and the subdivision be established as a fully-occupied residential community as soon as possible, nothing in this Declaration shall be understood or construed to:

(a) Prevent Declarant, Declarant's transferees, or the employees, contractors, or subcontractors of Declarant or Declarant's transferees from doing any part or parts of the subdivision owned or controlled by Declarant or Declarant's transferees or their representatives, whatever they determine may be reasonably necessary or advisable in connection with the completion of such work.

(b) Prevent Declarant, Declarant's transferees, or the employees, contractors, or subcontractors of Declarant or Declarant's transferees from constructing and maintaining on any part or parties of the subdivision property owned or controlled by Declarant, Declarant's transferees, or their representatives, such structures as may be reasonably necessary for the completion of such work, the establishment of the subdivision as a residential community, and the disposition of Lots by sale, lease, or otherwise;

(c) Prevent Declarant, Declarant's transferees, or the employees, contractors, or subcontractors of Declarant or Declarant's transferees from conducting on any part or parts of the subdivision property owned or controlled by Declarant or Declarant's transferees or their representatives, the business of completing such work, of establishing the subdivision as a residential community, and of disposing of Lots by sale, lease, or otherwise; or

(d) Prevent Declarant, Declarant's transferees, or the employee's contractors, or subcontractors of Declarant or Declarant's transferees from maintaining such sign or signs on any of the Lots owned or controlled by any of them as may be necessary in connection with the sale, lease, or otherwise of the subdivision Lots.

As used in this Section, the words "Declarant's transferees" specifically exclude purchasers of Lots improved with completed residences.

ARTICLE II

Architectural Control

Section 1. Purpose. The purpose of the provisions contained in ARTICLE II is to regulate the exterior design, appearance, use, location and maintenance of any improvements erected, installed or made on any Lot in such manner as to preserve and enhance the values thereof to maintain a harmonious relationship among structures and the natural vegetation and topography, and further to assure compliance with all the restrictions contained herein.

Section 2. Conditions. No improvements, alterations, repairs, excavations, changes in grade or other work which in any way alters the exterior of any property or the improvement located thereon from its natural or improved state existing on the date such property was conveyed in fee by the Declarant to an Owner shall be made or done without the prior approval conveyed in fee by the Declarant to an Owner shall be made or done without the prior approval of the Declarant. No building, fence, wall, residence, or other structure shall be commenced, erected, maintained, improved, altered, made or done without the prior written consent of the Declarant. No application for approval of any of the foregoing shall be deemed to have been submitted unless and until detailed plans and specifications showing the nature, kind, shape, height, color, material, location and elevation shall have been submitted in writing to the Declarant, including landscaping plan for the front exterior of the residence.

Section 3. The Architectural Review Board. An Architectural Review Board consisting of three (3) or more persons shall fulfill the functions of the Declarant, as set forth in this ARTICLE II at such time as the Declarant no longer owns any of the Lots hereby restricted or voluntarily relinquishes the authority to so function. Such Board shall be appointed by the Board of Directors of the Old Mill Park Annex Homes Association.

Section 4. Procedures. In the event the Declarant fails to approve, modify or disapprove in writing an application within thirty (30) days after plans and specifications in writing have been submitted to it, in accordance with adopted procedures, approval will be deemed granted. After the Declarant has relinquished the authority set out in Section 3 above, an applicant may appeal an adverse Architectural Review Board decision to the Board of Directors of the Homes Association, which may reverse or modify such decision by a two-thirds (2/3) vote of the directors. No appeal may be taken from a decision of the Declarant.

ARTICLE III
General Provisions

Section 1. Enforcement. Enforcement of these covenants shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain violation or to recover damages or both. Any such action may be initiated by the Declarant, any owner, or the Homes Association created and referred to herein. Failure by the Declarant or any owner to enforce any covenant or restriction therein contained shall in no event be deemed a waiver of the right to do so thereafter. In addition to any other remedy provided herein, a party seeking the enforcement of this Declaration and/or restrictions contained herein, shall be entitled to such party's reasonable attorneys fees, court costs and other costs of litigation from a party found to be violating the terms and conditions hereof.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provision which shall remain in full force and effect.

Section 3. Duration Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time said restrictions shall be automatically extended for successive periods of ten (10) years. The covenants and restrictions of this Declaration may be amended during the first twenty (20) year period by an instrument signed by the owners of not less than seventy-five percent (75%) of the land area hereby restricted and thereafter, by an instrument signed by the owners of not less than two-thirds (2/3) of the land area hereby restricted; provided, however, that the terms and provisions contained herein may not be amended or repealed so long as Declarant owns any Lot subject to the provisions of this instrument without the affirmative written consent of Declarant to such amendment or revocation.

Any amendment provided for hereunder shall become effective when the instrument of amendment is properly executed, acknowledged and filed for record in Jackson County, Missouri, in the Director of Records office in Independence.

Section 4. Notices. Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Owner at the time of such mailing.

Section 5. Language Variation. The use of pronouns or of singular or plural as used herein shall be deemed to be changes as necessary to conform to actual facts.

I3261P1297

IN WITNESS WHEREOF, the above-named Declarant has caused this instrument to be executed this 23rd day of JULY, 1998.

DAMAR, INC.

Martin D. Shrout, President

STATE OF MISSOURI)
